After breakfast there is time for prayer and discussion, and we're done at 9:30AM. Last month, Fr. Tom Frink spoke of virtue as related to knowledge, action, and feeling. This month we'll make it personal, looking for examples around us and in ourselves. Why not put it on your calendar now, and remember to set your alarm for Saturday morning!

**"AND WITH YOUR SPIRIT"**

We have studied virtue from the spiritual viewpoint of Bl. John Ruusbroec, a viewpoint essential for spiritual growth because it describes the goal of the Christian life and inspires us with hope and zeal for attaining it. Accepting the spiritual viewpoint is a marvelous gift of faith, but one that requires another marvelous gift, perseverance in the task of *becoming* virtuous. This task is notoriously difficult for us human beings because we are multi-tiered in composition. Note how the world around us comprises four *tiers* of being, physical (chemical compounds), biological (living things), conscious-emotional (animals), and spiritual (humans). Note also that each tier builds on, yet goes decisively beyond, the tier below it. Thus a living thing, while composed of chemical things, is not itself a chemical. It is infinitely more. Remarkably, the human person comprises all four tiers, making our existence unimaginably complicated. Combining the spiritual viewpoint with that of science, we can define virtue as "the impeccable functioning *on every level* of the human person." To find an example of impeccable functioning, we need look no further than Jesus, the quintessential human person. Consider the occasion when he "looked with anger at the Pharisees" (Mk 3:5). On the spiritual tier, Jesus loved the Pharisees and was inviting them to conversion through his rebuke, knowing however that such compassionate acts would mean his death. Emotionally and physically, Jesus' anger communicated to the Pharisees the degree of their guilt, while mirroring the eternal separation from God toward which their present choices were leading.

Fr. Tom

**ATTENTION!**

**ALL EUCHARISTIC MINISTERS**

Since it has been a long time since there has been refresher training for our EMs, and since there are multiple changes that impact their liturgical logistics, mandatory re-training for all Eucharist Ministers will be taking place. We will cover both sanctuaries so that EMs understand the changes for both churches.

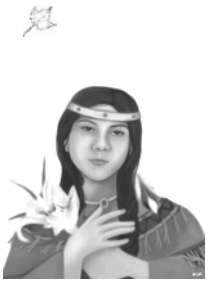

The last session will be on Sunday, November 4, from 1:00 to 4:30PM (meet at MQP Church).

**If you are a Eucharistic Minister, and haven't attended a class yet, please be sure to sign up for this session. Sign-up Sheets are in both Sacristies. Thank you.**

**KATERI TEKAKWITHA**

The daughter of an Algonquin mother and a Mohawk chief was born in 1656. When she was four years old her parents and brother died of smallpox. Kateri survived, but the disease left her scarred and her sight impaired. She was named "Tekakwitha," which means "she who bumps into things." Kateri's uncle took her in, and although she wanted to practice the religion of her mother, her uncle discouraged her. At the age of eighteen, Kateri began studying the Catholic religion in secret. After a time, her uncle gave his permission for her to become a Christian as long as she did not leave the village. There, she put up with ridicule because of her faith. In 1676, Kateri fled to Canada where she made her first Communion on Christmas, 1677. Although the last years of her life were difficult Kateri was known for her kindness and good humor. She died on April 17, 1680 and was canonized by Pope Benedict today, October 21, 2012.

**Big Day of Serving**  
with transforming America's neighborhoods

Imagine 400-500 teens and their chaperones "invading" Salem to offer one day of painting, yard work, house repairs, landscaping, etc. to elderly and low-income residents, as well as for area schools and parks! Come join the local Leadership Team who, with the guidance of Group Cares (a Christian youth ministry service organization), will help find and identify those who could be served, who will find funds, donations and supplies for the various projects, supervise projects, and plan the huge block party that ends the day. **Want to help make this happen here in Salem?** Please email Sue at Sue.Levesque@comcast.net to join us in this effort! Our next meeting is Thursday, November 8 at 7:00PM in the Family Room at St. Joseph.

**Middle School Movie Night:** Mark your calendars! The DOTs (Disciples of Today) leadership team is planning their 2nd annual Movie Night for Saturday, Nov. 17.

**Emmaus Experience Families:** Don't forget: teens and their parents have a special class on Sunday, November 11. This is for all youth registered for Options 1, 2, and 3.

**High School Mission Trip 2013:** Next summer during the week of July 21, we will be serving with Wheeling Jesuit University's Appalachian Immersion Experience in Jacksonburg, WV. Teens and adult chaperones interested in next summer's mission experience will be meeting on Sunday, October 21 at 7:00PM at St. Julie Hall to begin planning their fund-raising efforts. All high school youth are invited to check it out!

**MASS OF REMEMBRANCE AT MQP**

The Parish will celebrate a Mass of Remembrance at MQP, for those who died this past year and whose funeral was held here. This Mass will be held Saturday, November 3, at 4:00PM. If you would like to include someone who was buried from another town, all you have to do is call us and let us know the names of the loved ones so that we can add them to our list. We also ask you to bring in a picture (with your name and the name of the deceased on the back). The pictures will be used in a display at the back of the church the day of the Mass. During Mass, all the names will be read aloud and family members will be asked to come forward to light a candle. If you have any questions, please give Mary Roy a call at the Parish Office 893-8661 ext. 303.
