

Prayers created by middle school families using everyday objects:

Dear God,
Thank You for showing us the Light for
guidance and helping us find the way!

Let the light of God guide me
Through the darkness.
Help me to see God all the time.

God,
Thank You for the food that
This spoon carries to all of us.

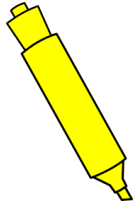

Father,
Please help me stretch outside my normal
boundaries.

God,
Thanks for all the service You give us
And all that You share.

Heavenly father,
Please make sure during our day we carve out
A slice of time to pray to You,
And that we have a piece of You throughout the day.
Amen

Dear God,
Thank You for dogs.
This bone would bring happiness to dogs, as You do to
our lives.
Even the little things bring happiness.
Amen

God,
You highlight my life
You brighten my day
You show what's important
And guide my way.
Amen

Dear God,
O Heavenly Father,
Help us to understand how Jesus is the key to salvation.
and, that by accepting the key, it will lead us into happiness.
Amen
