**SJRCS—Music Notes!**

All the music classes have been learning a few new languages this year, music and Latin. The whole school learned the traditional Chant mass parts "Sanctus" and "Angus Dei" to celebrate Holy Mass in Lent with its proper solemnity. They sing one of these prayers at the beginning of every music class. The children sounded amazing when singing them at the Lenten masses of Ash Wednesday and St. Joseph's feast day. The middle school classes just finished learning all about the instruments of the orchestra. The sixth, seventh, and eighth grades are on the "Elements" of music. What makes music work? How and why do composers do what they do? The 5th grade is getting to start playing their first instrument, the recorder. We are all excited! The younger grades are dancing their way into spring! We are learning traditional folk dances of New England, commonly called square dancing, which is a type of folk dance. It has been a lot of fun and a great way to get the winter wiggles out! God's Blessings to all! *Mrs. de Alvaro*
