Palm Sunday of the Passion of the Lord

Palm Sunday Reflection

We don't often get to experience what Jesus did over the span of a few days, huh? And we should really thank God for that. During His entry into Jerusalem, the people shout "Hosanna" and lay palm branches before him. Then as He is being accused falsely before a court, possibly some of the same people shout "Crucify him, crucify him!" For us the experience might be a nice compliment from the boss at work and then, on our way home, a mistake while we're driving brings the loud horns of anger and disapproval. Can you imagine the conflicting feelings Jesus must have been contending with as he saw His disciples abandon him and other followers call for his execution? Jesus was fully human as well as fully divine so He must have been deeply tempted to strike back at those who were being "two-faced," to hurt them in some way as they had Him. But the power of God, the Holy Spirit, enabled Him to act not on those feelings but rather out of the deep love that God has for humanity. Being followers of Christ, we too can live in this power and not be tossed this way and that by the waves of our unpredictable feelings. We too can choose to love in a life-changing way even those who try to get us to deny the Truth and join the crowd that has surrendered to the path of mediocrity.

The Winter Blues – Can You Help?

This has been quite the winter with some hundred inches of snow. Too often the snow came on a weekend which kept many from coming to church. Our collections were down by about \$15,000 during those snowy weekends. Thank you to those of you who have given more to help us catch up. However, we are still down by over \$10,000. Our plowing expenses this winter are about \$18,200. Our two plowing and fuel collections have brought in \$9,827. Today's second collection will be taken up to help pay the plowing bill. Please be as generous as you are able to be.

Thank you and God bless you,

Fr. John

Long-Range Planning Becomes Medium-Range

On March 2nd, Fr. Tom and I spent almost one and a half hours talking with Bishop Peter. He expressed his appreciation for all of the hard work that the Long-Range Planning Committee did in researching and compiling the report. He asked our take on the future of the school, the present status of the parish, and the unique culture of each church-campus. He was heartened to know that the efforts made to establish a second family Mass are bearing fruit and that we are experimenting with a 5 PM Sunday Mass. The fact that we are attracting young families to the 9:30 and 11 AM contemporary music Masses was encouraging to him. He also was appreciative of the fact that the Jesuits will remain for at least a few more years.

After much mutual conversation, his advice was that we continue to work to grow the parish with young families. He hopes that this will allow the parish to continue with two sites and allow the growth of the finances so that we can care for all of the parish needs. He is willing to put up some diocesan parish mutual aid funds for the next year or two while we grow the parish to where it can pay all of its bills.

I was reminded of the parable of Jesus about the unfruitful fig tree. The farmer is given more time to hoe around it and manure it so that it will bear fruit. In effect, Bishop Peter is telling us that the church in Salem is beginning to bear more fruit and so, rather than taking the drastic action of closing one church, we are to continue to work for its growth. For this to happen all of the members of the church will need to become evangelists, inviting our neighbors and new people in the community to come and worship with us. May God shower Salem with a new outpouring of the Holy Spirit. Amen. *Peace in the Lord Jesus, Fr. John*

What Happened at KidsChurch!!!

We created palms and listened to the story Little Colt's Palm Sunday. Harold was a big hit as everyone took turns to sit on him while the others waved their palms saying "Hosanna!" We will be all set for next week as we process into Mass!

We paraded with our palms over to the table and talked about times when we share special meals with our families. We learned that Jesus shared a special meal with His friends so that they would be able to remember Him always! We talked about how Jesus washed the feet of His friends to show that He wanted to serve and help them. We talked about what we can do to help and serve others at home. The responses were awesome (Help clean up toys, Help Mom take out the trash, Help with Laundry). The little ones then took turns washing one of our teen helpers feet (Thank you, Isabella!). Then a few of them took off one of their shoes, and they took turns washing feet. What an incredible moment!

What are parents saying about KidsChurch!

Some parent quotes:

"The kids heard the church bells ringing and they were saying that they didn't want to be late for KidsChurch!"

"My child just loved sitting in the whale and couldn't stop talking about it all week."

"My child asks on Thursday if it is the day for KidsChurch!"
