Thank you!

Food Pantry—Thank You

We at the food pantry would like to thank all the parishioners who helped make “Brown Bag Sunday” a success this past month. You were very generous in returning your bags full of food.

We would also like to give a big thank you to North Salem Elementary School for their huge truck load of food items. We were truly thankful for your generosity too.

To see the shelves stocked with food and household items is neat to see. Unfortunately, every Friday we give out food to at least 15 to 26 families and our shelves empty fast. “Brown Bag Sunday” will be this Sunday, May 4th. Anything you can give will be greatly appreciated. I would also like to thank the 5 new people who have joined our food pantry family of volunteers.

Again, many thanks to all of you for helping us help those in need.

Pat Hirashima

Are you a Reformed Hoarder?

If you are not a hoarder, maybe you are planning a spring cleaning (now that spring has finally arrived!) and would like to simplify your life. There will be a huge **Yard Sale (rain or shine)** on Saturday, June 21, 8:00am-2:00pm on the grounds of Mary Queen of Peace. You can turn all your treasures into cash! Rental space (12’ grass frontage along the edge of the parking lot) costs \$25. **You bring your own table** and we will do the advertising and notify other churches in the area. To reserve your space, call Mary at 893-8661 ext. 303.

Faith Formation 6-12

High School: Immediate Prep for Confirmation Option 6 continues Mondays, May 5, 12 & 19, 6:00-7:45pm at St. Julie Hall.

Registrations for 2014-2015: The handbook containing middle and high school programs and registration forms is available at the Parish Office and on our website. Because there is a summer option, registrations need to be returned by June 1. For our Family Formation program, next year's 5th graders, who have an older sibling in the program and the 5th grader is the youngest in the family, may also participate in the family approach.

Mass with the Anointing of the Sick: Mark your calendars for this special Mass on Sunday, May 18, at 2:00pm, at MQP! "Is any one of you sick? They should call the elders of the church to pray over them and anoint them with oil in the name of the Lord." *James 5:14*

Food Drive: A cluster from our Sunday Night Family Faith Formation class is collecting food before the 4:15pm Mass at St Joe's on May 10th for the food pantry. Will you help them feed those in need? Youth from these family clusters will greet you on arrival and accept your donations. Thank you!

Faith Formation 1-5

"Thank you Team Teachers, families, and students for a great Faith Formation year. You were cooperative and filled with the Holy Spirit. I am looking forward to our First Eucharist celebrations and then Happy Days. Have a safe and happy summer and see you in the fall!"

Marie Mullen,
Faith Formation Coordinator Grades 1-5

Rest in Peace

We pray for all who died recently, especially :
Sophie E. Radziwill, David T. Leamy,, Georgea Morisseau, James Martinage, Milton J. Walsh, and Paul Chapdelaine. May their family and friends be comforted by loving memories of them and by hope in Christ's promise of the resurrection.

Mary in Scripture

Come spend an afternoon reflecting on what the scriptures reveal about Mary, this very ordinary yet amazing woman, and how her life intersects with our own.

Presenter: Sr. Mary Schneiders, OP

SJRCS Math News

Currently, our 6th grade students are spending a lot of time studying 2-Dimensional and 3-Dimensional geometric shapes. They have found the areas and perimeters of squares and rectangles, triangles, parallelograms, trapezoids and irregular figures. We have moved on to study different types of Polyhedra (3-Dimensional shapes) and will learn how to find their surface areas as well as the volume of these figures. Additionally, 6th grade will examine the characteristics of circles, including the diameter and radius and how they relate to pi, circumference and area.

The 7th grade students have just finished their unit on Rational and Irrational numbers, including learning about the Pythagorean Theorem. They will be moving into a unit on Geometry, reviewing angles and polygons, and then learning about angles that are formed when 2 or more parallel lines are intersected by a third line - a transversal. From there they will also work on Area, Surface Area and Volume.

The 8th Grade Pre-Algebra Class is also in the middle of their Geometry unit. They spent time learning about angles formed by intersecting lines, parallel lines cut by a transversal, proving that figures were either congruent or similar and finding the angle sums of polygons. Currently, we are studying transformations of shapes, such as reflections, translations and rotations.

The 8th Grade Algebra students are in the middle of a unit on Systems of Equations and Inequalities. They have learned to find the solution of two equations by graphing, using substitution or elimination. They have studied equations of lines and can determine whether the equation represents parallel lines or perpendicular lines and have learned which of these have no solutions, infinitely many solutions, or only one solution. As this unit progresses, the students will learn about systems of linear inequalities and how to graph these systems.

As you can see, we are a very busy bunch of junior high math students!!

Seder Meal Thank you!

Thank you to Harrison Allen, Joshua Ameen, Anthony DiBiasio, Jacob Fantasia Megan Todt, and Dominique Treadwell for planning and hosting this year's Seder! You did an incredible job creating an elegant environment, preparing a great meal, and leading us in experiencing the Seder! Thank you, too, to Angelo and Noreen Fantasia for accepting the 'parent' roles. And thank you to those who participated in our second Seder hosted by a group of Confirmation Candidates! We hope we helped you to enter into Holy Week with a deeper appreciation of Jesus' roots and a deeper meaning of the Passover Meal He celebrated!
